

Sing along!

These lyrics fit to the tune "In The Jungle".

**We're recyclers, we're clothes recyclers,  
Don't throw our clothes away,  
All our textiles go in the clothes banks  
To use another day  
Away-ay-ay-ay, don't throw your clothes away.  
Away-ay-ay-ay, they can be used another way**

**Skirts and blouses, shorts and trousers,  
They all can be re-used  
Other children may really need them  
Along with boots and shoes  
Away-ay-ay-ay, don't throw your clothes away.  
Away-ay-ay-ay, they can be used another way**

**Please don't dump it, you'll help the planet  
If you do it right  
Hear our message - say 'NO!' to landfill  
And then we'll win the fight.  
Away-ay-ay-ay, don't throw your clothes away.  
Away-ay-ay-ay, they can be used another way**
